

• /register

A hand-drawn wireframe of a registration page layout. The page is divided into three horizontal sections: a top section labeled 'header', a middle section, and a bottom section labeled 'footer'. In the middle section, there is a large rectangular box labeled 'Form'. Below the 'Form' box is a smaller rectangular box labeled 'Tos'. Underneath the 'Tos' box is a checkbox followed by the text 'I agree and am over 18, or am over 13 w/ parental permission'. Below this text is a small rectangular button labeled 'Submit'.

— Form fields

— Name (game name works too)

— Your main server
